

Come Alive (from "The Greatest Showman") {2017}

Intro: [D] [Am7] [G] [Gm]

[D] You stumble through your [Am7] days
 Got your [G] head hung low, your [Gm] skies are a shade of grey
 [D] Like a zombie in a [Am7] maze
 You're a[G]-sleep inside, but [Gm] you can shake awake

[Bm] 'Cause you're just a dead man walking, [D] think of that your only option
 [G] But you can flip the switch and brighten up your dark[A]-est [Bm] day
 Sun is up and the colour's blinding, [D] take the world and redefine it
 [G7sus4] Leave behind your narrow mind you'll never be the <G7sus4> same

Come a[D]-live, come a[Am7]-live
 Go and [D] light your light, let it burn so bright
 Reaching [D] up to the [Am7] sky
 And it's [D] open wide you're e[Gm]-lectrified <Gm>

And the [D] world becomes a fantasy
 And you're [Am7] more than you could ever be
 'Cause you're [C] dreaming with your eyes wide [G] open
 And you [D] know, you can't go back again
 To the [Am7] world that you were living in
 'Cause you're [C] dreaming with your eyes wide [G] open <G>
 So, come a[D]-live! [D]

[D] I see it in your [Am7] eyes
 You be[G]-lieve that lie that you [Gm] need to hide your face
 [D] Afraid to step out[Am7]-side
 So you [G] lock the door, but <Gm> don't you stay that way!

[Bm] No more living in those shadows [D] you and me, we know how that goes
 [G] 'Cause once you see it, oh you'll never, never be [A] the [Bm] same
 It will be the light that's shining [D] bottle up, but keep on trying
 [G7sus4] You can prove there's more to you, you cannot be a<G7sus4>-fraid

Come a<D>-live, come a<Am7>-live
 Go and <D> light your light, let it <D> burn so bright
 Reaching <D> up to the <Am7> sky
 And it's <D> open wide you're e<Gm>-lectrified

And the [D] world becomes a fantasy
 And you're [Am7] more than you could ever be
 'Cause you're [C] dreaming with your eyes wide [G] open
 And you [D] know, you can't go back again
 To the [Am7] world that you were living in
 'Cause you're [C] dreaming with your eyes wide [G] open
 So, come a[D]-live! [X] [X]
