

Girl From Mars (by Ash) {1996}

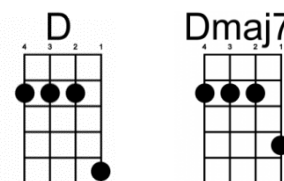

[A] .. D'you remember the [E] time I knew a girl from [Dmaj7] Mars, I don't [Bm7] know if you knew that
 [A] Oh we'd stay up late playing [E] cards, Henri Winterman [Dmaj7] cigars
 And she [Bm7] never told me her [D] name, I still [E] love you, the girl from [A] Mars /// | /// | /// | /// |

Sitting in our [E] dreamy [D] days by the [Bm7] water's edge
 [D] On a cool [E] summer [A] night
 Fireflies and the [E] stars in the [D] sky gently [Bm7] glowing light
 [D] From your [E] cigar-[A]-ette
 The bree-eeze [E] blowing [D] softly [Bm7] on my face
 Re-[D]-minds me of [E] something [A] else
 Some-thing that [E] in my [D] memory has [Bm7] been misplaced
 [D] Suddenly [E] all comes [Bm7] back /// [D] And as I [E] look to the [A] stars

I remember the [E] time I knew a girl from [Dmaj7] Mars, I don't [Bm7] know if you knew that
 [A] Oh we'd stay up late playing [E] cards, Henri Winterman [Dmaj7] cigars
 And she [Bm7] never told me her [D] name, I still [E] love you, the girl from [A] Mars /// | /// | /// | /// |

Surging through the [E] darkness [D] over the [Bm7] moonlit strand
 Elec-[D]-tricity [E] in the [A] air
 Twisting a-all [E] through the [D] night on the [Bm7] terrace
 [D] Now that [E] summer is [A] here
 I know that [E] you are [D] almost in [Bm7] love with me
 I can [D] see it [E] in your [A] eyes
 Strange li-ight [E] shimmering [D] over the [Bm7] sea tonight
 And it [D] almost [E] blows my [Bm7] mind ///
 [D] And as I [E] look to the [A] stars

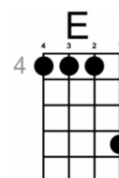

I remember the [E] time I knew a girl from [Dmaj7] Mars, I don't [Bm7] know if you knew that
 [A] Oh we'd stay up late playing [E] cards, Henri Winterman [Dmaj7] cigars
 And she [Bm7] never told me her [D] name, I still [E] love you, the girl from [A] Mars /// | /// | /// | /// |

[A] /// | [E] /// | [D] /// | [Bm7] /// | [A] /// | [E] /// | [D] /// | [Bm7] /// |
 [A] /// | [E] /// | [D] /// | [Bm7] /// | [A] /// | [E] /// | [D] /// | <Bm7> <Bm7> <Bm7> <Bm7> |

[A] .. Today I [E] sleep in the [D] chair by the [Bm7] window
 It [D] felt as if [E] you'd re-[A]-turned
 I thought that [E] you were [D] standing [Bm7] over me
 When I [D] woke there was [E] no-one <Bm7> there ///
 (slower) I still <D> love you, <E> girl from [A] Mars

quieter

D'you remember the [E] time I knew a girl from [Dmaj7] Mars, I don't [Bm7] know if you knew that
 [A] Oh we'd stay up late playing [E] cards, Henri Winterman [Dmaj7] cigars
 And she [Bm7] never told me her [A] name
 D'you remember the [E] time I knew a girl from [Dmaj7] Mars, I don't [Bm7] know if you knew that
 [A] Oh we'd stay up late playing [E] cards, Henri Winterman [Dmaj7] cigars
 And [Bm7] I still dream of [D] you ... I still [E] love you, the girl from <A> Mars
