[Em] Here we go, I'm [G] hanging out in Camden  
[Bm] Drinking with my girlfriends on a [A] Saturday [Em] night  
[Em] This .. guy says, [G] "come and meet my girlfriend"  
She's [Bm] sitting in the corner looking [A] rather up-[Em]-tight

So I [D] say "hello" and I [A] try to be [Em] nice, but I [D] see he's feeling [Eb] it-[D]-chy  
[D] Trying to play us [Em] off each other,  
[C] "Girls, girls, please don't <B> fight" (*you get the picture*)

[Em] Hey you, the [G] muscles and the long hair  
[Bm] Telling me that women are su-[A]-perior to [Em] men  
[Em] Most .. guys just [G] don't appreciate this  
[Bm] You just try convincing me you're [A] better than [Em] them

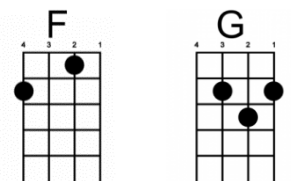

So he [D] talks for hours about his [A] sensitive [Em] soul  
And his [D] favorite subject [Eb] is [D] sex  
[D] I don't even think he really [Em] wanted it,  
But, [C] Christ this guy's too [B] much (*I wanna tell him*)

[C] I'm as human [Em] as the next girl, I [C] like a bit of [Em] flattery  
But [C] I don't need your [Em] practiced lines, your [C] school of charm men-[B]-tality so  
[C] Save your breath for [Em] someone else and [C] credit me with [Em] something more  
[C] When it comes to [Em] men like you,  
I [C] know the score, I've [B] heard it all be-[Em]-fore /// | [Bm] /// | [Em] /// | [C] / [B] / |  
[Em] /// | [Bm] /// | [Em] /// | [C] / [B] / | [A] / [G] / | [F#m] /// | <F#m> (*Here comes the next one*)

Blon-die was with me for a summer, he flirted like a maniac but I wouldn't bite  
I'm .. weak and he was so persistent, he only had to have me 'cause I put up a fight

[Em] Oh .. God, the [G] boy had such an ego  
He [Bm] liked to talk about himself all [A] day and all [Em] night  
[Em] You .. think you're [G] such a ladykiller  
But [Bm] you were nothing special 'til you [A] turned out the [Em] light

When he's [D] nice to me he's just [A] nice to him-[Em]-self  
And he's [D] watching his re-[Eb]-flec-[D]-tion  
[D] I'm a five foot mirror for a-[Em]-doring himself,  
Here's [C] seven years bad [B] luck (*I wanna tell him*)

[C] When you say you [Em] love me you're just [C] flattering your [Em] vanity  
But [C] I don't need your [Em] practiced lines, your [C] school of charm men-[B]-tality so  
[C] Save your breath for [Em] someone else and [C] credit me with [Em] something more  
[C] When it comes to [Em] men like you, I [C] know the score, I've [B] heard it all be-[Em]-fore

Ooh .. you're [G] such a ladykiller [Bm] always on a winner [C] thinking that you're in there  
[Em] Oh .. boy, you're [G] such a ladykiller [Bm] super sexy mister [C] call it what you will, oh  
[Em] You .. think you're [G] such a ladykiller [Bm] I just bet you're still there [C] posing in the mirror  
[Em] Hey .. girls, he's [G] such a ladykiller, but [Bm] we know where he's coming <Bm> from  
And we know the score
